The National Flood Insurance Program, the North Carolina Division of Emergency Management, and the North Carolina Association of Floodplain Management (NCAFPM) are cosponsoring *Advanced Agent Workshop on the National Flood Insurance Program* Friday, May 4, 2007, at the Ramada Plaza Outer Banks. Topics covered include:

- Elevation Certificate
- Condominium Coverage
- Grandfathering Rules
- Substantial Damage/Substantial Improvement
- V Zones
- Coastal Barrier Resources Act
- Vertical Datum Conversions
- Digital Flood Insurance Rate Maps
- Increased Cost of Compliance

This course is designed as a continuation of the Basic Producer Seminar. Agents with some NFIP knowledge will gain better understanding of the Grandfather Rule, the new FEMA Elevation Certificate, V Zone rating, Condominium Coverage, Coastal Barrier Resources System, Increased Cost of Compliance and other pertinent information. These tools will enhance insurance agents' knowledge, especially those with structures located in newly revised special flood hazard areas. Participants will review NFIP terms and Definitions.

The North Carolina Department of Insurance is approving 2 hours Continuing Education Credits (CECs) for this new course. The NCDOI Course Number will be announced in class.

Please register with Laurie Flowers by email to lflowers@ncem.org or FAX 919-715-0408. Bring \$30 in cash or check payable to **NCAFPM** to the seminar.
