MEMORANDUM FOR: Write Your Own Company Principal Coordinators and the
National Flood Insurance Program Servicing Agent

Edward L. Connor

FROM: Edward L. Connor
Acting Federal Insurance Administrator

SUBJECT: NFIP Reauthorization

On October 27, 2009, the Conference Report for the Interior Department/Environmental Protection Agency appropriations bill was filed. That Conference Report contains, among other items, a National Flood Insurance Program extension through December 18, 2009, and a Continuing Resolution that funds all unfunded government departments and agencies also through December 18th. The House is expected to adopt the Conference today and the Senate will adopt before midnight of October 31st.

As additional information becomes available, we will let you know.
