FROM:               [Signature]
                    Roy E. Wright
                    Deputy Associate Administrator for Insurance & Mitigation
                    Federal Insurance and Mitigation Administration

SUBJECT:            October 1, 2018, Program Changes

This memorandum provides notification of the changes that the NFIP will implement effective October 1, 2018. The changes will require modifications to the *NFIP Flood Insurance Manual*, the Transaction Record Reporting and Processing (TRRP) Plan, and the Edit Specifications document. Highlights of the program changes effective October 1, 2018, include the following:

- Establishment of Cancellation Reason Code 26 for duplicate coverage under a non-NFIP policy;
- Required notification of Preferred Risk Policy eligibility for certain cancellation reasons;
- Extended eligibility for the Newly Mapped rating procedure; and
- Updated data elements in the TRRP Plan.

Please see the following attachments for details of these upcoming Program Changes:

- Attachment A – Summary of the NFIP October 2018 Program Changes
- Attachment B – TRRP Plan and Edit Specifications Changes Effective October 1, 2018

The next scheduled updates to the Community Rating System (CRS) Eligible Communities list will be effective October 1, 2018. The NFIP will provide the revised CRS list under separate cover by August 1, 2018.

SUMMARY OF THE NFIP PROGRAM CHANGES
EFFECTIVE OCTOBER 1, 2018
National Flood Insurance Program

October 1, 2018, Program Changes: A Summary

The changes outlined in this bulletin apply to new business, renewals, endorsements, and cancellations that will become effective on or after October 1, 2018.

1. **Cancellation Reason Code 26 for Duplicate Coverage under Non-NFIP Policy**

Beginning October 1, 2018, FEMA will establish Cancellation Reason Code 26 to allow cancellation of an NFIP policy when a policyholder has obtained a duplicate policy from sources other than the NFIP. The non-NFIP insurance coverage must be for building coverage on the same building that is insured by the flood policy being canceled.

- Cancellation Effective Date: The date the cancellation request is received by the insurer.
- Type of Refund: Pro-rata refund including ICC premium, Reserve Fund Assessment, and HF1AA Surcharge. The refund does not include the Federal Policy Fee and Probation Surcharge (if applicable).
- Cancellation Request: Must be received within the current NFIP policy year.
- Required Documentation: A copy of the non-NFIP policy’s declaration page and a statement from the mortgagee, if any, accepting the non-NFIP policy as the replacement.
- Years Eligible for Refund: Current year.

2. **Required Notification of PRP Eligibility for Certain Cancellation Reasons**

Effective October 1, 2018, NFIP insurers must inform eligible policyholders with standard-rated policies for property in a non-Special Flood Hazard Area (SFHA) of their option to convert to the Preferred Risk Policy (PRP). They must inform policyholders prior to processing cancellations for the following Cancellation Reason Codes:

- Reason Code 8 – Policy Not Required by Mortgagee
- Reason Code 9 – Insurance No Longer Required by Mortgagee Because Property Is No Longer Located in a Special Flood Hazard Area Because of a Physical Map Revision or LOMR
- Reason Code 15 – Insurance No Longer Required Based on FEMA Review of Lender’s Special Flood Hazard Area Determination
• Reason Code 19 – Insurance No Longer Required by the Mortgagee Because the Building Has Been Removed from the SFHA by Means of a LOMA

To implement this requirement, NFIP insurers may develop notice requirements that align with their normal business practices. NFIP insurers must be able to demonstrate that they informed eligible policyholders of the availability of the PRP.

Insurers may cancel/rewrite the policy to a PRP using the current cancel/rewrite procedures outlined in Cancellation Reason Code 22 or 24, as appropriate.

3. **Extended Eligibility for Newly Mapped Rating Procedure**

FEMA is extending the time period for properties newly mapped into an SFHA to be rated using the Newly Mapped rating procedure instead of going immediately to full-risk (actuarial) rating.

Currently, properties newly mapped into an SFHA are eligible for the Newly Mapped rating procedure if the applicant obtains coverage that is effective within 12 months of the map revision date. Effective October 1, 2018, FEMA is expanding eligibility to be either within 12 months of the map revision date or within 45 days of initial lender notification if the notification occurred within 24 months of the map revision date. In these cases, the Newly Mapped multiplier to be used for premium calculation should be based on the map effective date and the policy effective date for that new business transaction.

4. **TRRP/Edit Specifications Updates**

Refer to Attachment B for updated TRRP and Edit Specifications pages.

DATA ELEMENT: Cancellation/Voidance Reason

ALIAS: Cancellation/Nullification Reason

ACRONYM: WYO (PMF) CAN-REASON

FILE: Policy Master (PMF)
Actuarial (APOL)

DESCRIPTION:
Flood insurance coverage is terminated mid-year by either canceling or nullifying a policy depending upon the reason for this transaction. Premium refunds are permitted, if applicable, for the current year and 1 prior year for all valid reasons. The insured must have maintained continuous NFIP coverage to be eligible for any prior-year premium refund. All existing rules concerning the Federal Policy Fee, Probation Surcharge, Reserve Fund Assessment, HFIAA Surcharge, and producer commission remain in effect. See the reference chart on page 4-43A.

Building Sold or Removed, Destroyed or Physically Altered to no Longer Meet the Definition of an Eligible Building. The insured has sold or transferred ownership of the insured property to another party and no longer has an insurable interest in the property at the described location, or the insured property or personal property has been completely removed from the described location. This reason is also used to cancel a policy when a structure is bought out or demolished according to an approved FEMA mitigation plan. If the building is sold or removed, TRRP reason 01 is also used if the builder or developer has requested to cancel the policy mid-term because a newly created association has purchased a policy under its name. The cancellation effective date is the date the building was sold or removed.

1. Building Sold or Removed.
   TRRP Reason Code:  01
   Number of Policy Years Allowed:  5*

   * The WYO companies are responsible for canceling and returning the premium up to 2 policy years. If additional policy years are allowed, the request must be sent to the NFIP Bureau & Statistical Agent for processing.

   Premium Refund:

   • Full—Full refund of premium (including ICC premium and Reserve Fund Assessment). Federal Policy Fee, Probation Surcharge and HFIAA Surcharge are fully refunded. Used for any additional entire policy term being canceled that is in addition to a mid-term cancellation.

   • Pro-Rata—Pro-rata refund of premium (including ICC premium and Reserve Fund Assessment). Federal Policy Fee, Probation Surcharge and HFIAA Surcharge are not refunded for policy term that is canceled mid-term.
DATA ELEMENT: Cancellation/Voidance Reason

DESCRIPTION: (Cont’d.)

Premium Refund:

- Full—Full refund of premium (including ICC premium and Reserve Fund Assessment). Federal Policy Fee, HFIAA Surcharge and Probation Surcharge are fully refunded.

- Pro-Rata—N/A

Cancellation effective date is within October 1, 2013 and September 30, 2014.

- Current year—Full refund to be applied to rewritten policy.

Open Claim: Policy cannot be canceled.

Closed Claim without Payment: Policy can be canceled.

Closed Claim with Payment: Policy cannot be canceled.

26. Duplicate Policy from Source Other Than the NFIP. This reason code is used to cancel an NFIP policy when a duplicate flood policy has been obtained from a source other than the NFIP. A statement from the mortgagee, if any, accepting the non-NFIP policy as replacement will be required. The premium will be calculated pro-rata less Federal Policy Fee and Probation Surcharge.

TRRP Reason Code: 26
Number of Policy Years Allowed: 1
Number of Policy Terms Allowed: 1

Premium Refund:

- Full—N/A

- Pro-Rata—Pro-rata refund of premium (including ICC premium, Reserve Fund Assessment and HFIAA Surcharge). Federal Policy Fee and Probation Surcharge are not refunded.

Cancellation effective date is:

- Current term—Receipt of cancellation request, including supporting documentation. Use pro-rata refund.
- Prior term—Not Applicable (N/A)
Open Claim: Policy cannot be canceled.
Closed Claim without Payment: Policy can be canceled.
Closed Claim with Payment: Cancellation effective date must be after the loss date.

45. Certain Condominium Units Covered by Dwelling Policy and by RCBAP. This provides a means to cancel a condominium policy because coverage is being provided under an RCBAP at the statutory maximum limit of coverage. Duplicate coverage occurs when the unit owner policy and the RCBAP are insured at the maximum limits of the Program. The Dwelling form policy may be canceled when a RCBAP is issued at statutory limits. A pro-rata refund of premium and Reserve Fund Assessment will be issued in the first year coverage was duplicated between the Dwelling form and the RCBAP. A full refund of premium (including ICC and Reserve Assessment) will be issued for subsequent policy years with duplicate coverage (up to 5 consecutive years prior to date of cancellation request).

TRRP Reason Code: 45
Number of Policy Years Allowed: 2*
DATA ELEMENT: Cancellation/Voidance Reason

DESCRIPTION: (Cont’d.)

In all calculations, the community Probation Surcharge should be included.

Cases I, IV: Cancellation effective halfway through 1-year policy year

Cases II, III, V, VI: Cancellation effective on policy year effective date

Case I: Reasons 3 or 4; for reasons 1, 2, 45, 50, and 52 with cancellation dates 11/1/2015 and after; and reason 26 with cancellation dates 10/1/2018 and after.
